## **CHELATES & COMPLEXING AGENTS LABELING AID**

### § 2305. Chelating Agents.

The label of each product for which a chelation claim is made shall state:

- (a) The name of the chelating agent.
- (b) The percent of the guaranteed micronutrient content which is chelated, for example, in the following format:

Zinc (Zn).....%  
\_\_\_\_\_% Chelated Zinc
